ABOVE AND BEYOND

Above the sky I have soared
Beyond time forever more
The time has come for me to stand
And plant my feet firmly on land
For now my life begins anew
And what's to come, I haven't a clue
But before I say goodbye
I'll aways remember Haysi High

Our Years At Haysi High

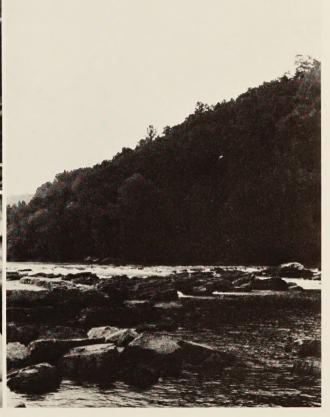

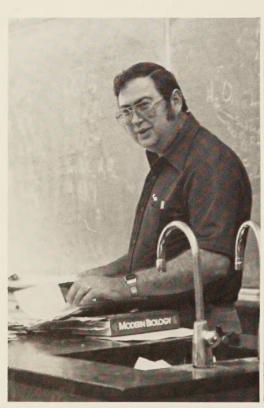

Above And Beyond . . . The Dedication

This year the Journalism Staff would like to acknowledge a person that is admired a great deal by everyone. There is always that special smile and understanding that everyone depends upon. He is a person that goes out of his way to try and help anyway he can.

It is for these reasons and many more that the Journalism Staff of 1985-86 proudly dedicates "Above and Beyond" to you, Mr. Jimmy Smith.

Mr. Smith shows off his friendly smile.

Mr. Smith doing what he does best.

Is Mrs. Colley catching flies from Mr. Smith's Biology II experiment?

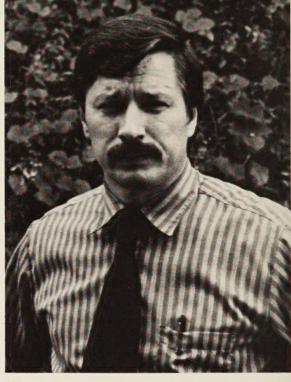

Administration

Seniors of Haysi High School, I would like to congratulate you on your educational accomplishment. You have reached one of life's many milestones and have prepared yourself for more to come. You can consider yourself successful at this point in your life. Remember that life is full of failures and the one that learns from his failures is the most successful.

There is a tremendous amount of individual potential in the class of 1986. It may possibly be the most intellectual class that has ever graduated from Haysi High School. I encourage each one of you to develop to your fullest potential and to seek that most distant goal. I am proud of the class of 1986 and offer you the above advice for your benefit and for the benefit of Haysi High School.

David C. Yates, Principal

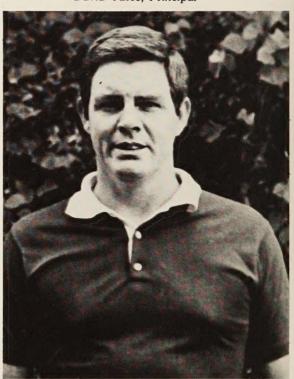

David Yates, Principal

I would like to take this opportunity to congratulate the Senior Class of '86 for its contribution to the school. You have set the standards and exhibited talents that will set the pace for years to come.

I would also like to congratulate you on your extra-curricular activities. The Class of '86 has shown enthusiasm and achieved goals both in and out of the classroom, above and beyond expectation.

It has been a privilege and honor to work with such students as yourselves. I hope you will persevere in your desires to achieve the better things in life. We will never forget the impact this class has had upon us, and we hope that in turn, we have helped to improve on each and everyone's outlook on life.

The Haysi Tiger Marching Band continues to improve and broaden their experiences. Marching season came early this year when the band marched in the Pioneer Day Parade at Clintwood. The band competed at Wytheville, Wise and Powell Valley band competitions. The marching band made history at Wise when they received a Division II excellent rating from that tough competition.

Band students are out to show how good they are. Eight students traveled to Wisconsin to participate in Marching Bands of America (MBA). Mike Puckett, a drummer, received a nomination for McDonald's All-American Band. Three trumpet players are traveling every week to Kingsport for trumpet lessons. Several students are expected to make All-Regional Band and participate in E.T.S.U. Honors Band.

The Haysi High School Band is continuing to grow. Enrollment topped fifty students this year as a large group of beginners joined the ranks of the band. Beginning or intermediate students; the future looks promising for our marching and concert band.

Coach Rick Whitner

The 1985 baseball team was very successful due to the dedication of the team to goals they set for themselves. The team, led by seniors Mike Mullins, Dewayne Stanley, Mark Mullins, Jeff Colley, Chris Yates, Denver Owens, and Ritchie Turner, reached the regional finals before bowing out to St. Paul by a score of 6-3. In reaching the regional finals Haysi eliminated Keokee who entered the tournament with a 20-2 record and then the next day eliminated Wise who had four consecutive state titles. The seniors also finished with the school's four year overall record which was 50-22. The 1986 team will try and continue the success of the baseball program as well as the success of the school's overall program. Returning is full-time starter Scotty Deel and two part-time starters, Kevin Counts and Randall Haynes. The team will have to exhibit a determination to succeed due to the lack of experience we have compared to the other teams in the district.

The Haysi High School Boys Track Team has had four Consecutive BDD Championships. Despite the loss of several outstanding Seniors from the 1985 team, hard work and perseverance should produce another fine season in 1986. Go get 'em Tigers.

Bank Serves You Bestl

And here's why:

Officers, directors and employees are a part of the community. They have a big stake in local prosperity.

Your questions are usually answered by those you talk to, not by someone in a distant city. The buck stops here.

Deposits are not siphoned off by an affiliated bank but are for the use of people right here at home.

You will feel comfortable in doing business with local, hometown people who know and understand your needs. We hope you stop in often.

Directors, officers, and staff of Dickenson-Buchanan Bank would like to take this opportunity to invite you to take advantage of the many hometown banking services offered.
